Birth Choice Health Clinics provide support and information to individuals empowering them to make healthy life-affirming choices consistent with the inherent value of every human life.

BIRTH *Choice* HEALTH CLINICS

VOLUNTEER OPPORTUNITIES

What we do:

Birth Choice Health Clinics are licensed community care clinics providing quality medical services to our clients. We provide pregnancy tests, counseling, STD testing and ultrasounds to young people facing an unplanned pregnancy or decisions regarding their sexual health. We want to be the first place young people go to help them understand all of their options.

Founded in 2005, Teen Integrity's purpose is to educate on the importance of building satisfying and mature relationships free from sexually transmitted diseases, unwanted pregnancies, and unnecessary heartache. We desire to train the community regarding sexual integrity and relationship skills. Teen Integrity educates youth on the risks of premarital sex and empowers them to make positive choices concerning their bodies and futures.

NEED:

If you have a heart to be a voice for life, the desire to make a difference and love working with young people, we have a need for people of all different kinds of gifts.

Volunteer Opportunities

There are many ways to use the talents and gifts God has blessed you with while impacting the lives of young people in Orange County.

Client Advocates

Client advocates help each woman think through the short-term and long-term effects of parenting, adoption and abortion. We believe it is in the woman's best interest to have access to a full range of information and resources regarding her options before making her decision.

Time Commitment: 3 hours per week.

Medical Service Providers

As a licensed community care clinic, we need nurses, nurse practitioners, sonographers and medical doctors willing to donate their time and skills to provide services for our clients.

Time Commitment: 4-8 hours per month.

Educators

Professional and lay educators are needed to teach classes on practical life skills through our weekly Bridges program to young men and women who choose to parent their child. Time Commitment: 1-4 times per year.

Teen Integrity Educators

Educators under the age of 30 are needed to present the sexual integrity message, which emphasizes the emotional, physical, and social benefits of saving sex for marriage.

Educators speak as needed to youth groups at churches or schools.

Men's Program

We are looking for men to counsel our STD clients and to mentor young fathers. Time Commitment: 2-3 hours per week.

Mentors

Adult Christian men and women are needed to provide positive role modeling for Birth Choice clients attending the Bridges program.

Other Opportunities For Involvement

- Office assistant
- Mail team
- Graphic Designer
- Prayer warriors
